

Hi _____

I'm Bud Fennell and my wife's name is Linda. As you probably know Grace Fellowship Church is very "small group" oriented. Linda and I have been leading a small group on Tuesday evenings for years. We're currently meeting at our house at 6468 Deermeade Drive, Florence, Ky. We meet between 7:00 and 9:30 p.m., but ask that people arrive a little early, i.e., 6:45 p.m., just for some "small talk." Unlike most other groups we **do not** provide child care so if that's a concern we encourage you to get connected with another group, but if it fits we'd love to have you join us this coming Tuesday. I've put directions to our house at the end of this letter. Please call Linda or myself on 371-1555 if you have any questions.

You may find this a little unusual, but when telling people about our small group I always emphasize that this is a "safe place" to meet people and learn about God from His Word. We realize many people visiting Grace are coming from various church back rounds and denominations, or have no church back round at all. Many would find it intimidating to show up at some one's house they don't even know, much less show up for a "small group" meeting. But here's my promise to you. You can show up and be completely at ease. You will never be put on the spot at our small group by being asked to do anything, say anything, pray anything, etc. You can just come and relax. On the other hand, if you'd like you can participate at any level you feel comfortable. It's up to you, but we would encourage you to try us if you have any inclination at all. We love people and we love learning about God from His Word.

That's it. May God richly bless you.

In His service,

Bud and Linda Fennell
